

HOW TO APPLY FOR AN SCP JOB

To apply for a state job, you must first pass an examination to get on an eligibility list.

Step 1

Take an exam: An examination to get on a list can be an oral interview, written test, or a self-evaluation of pertinent skill and experience levels, depending on the job classification.

Step 2

See where you rank on the list: Once you have taken the examination you will receive a ranking. Candidates ranked in the top three tiers are eligible to be interviewed for positions in that class.

Step 3

Apply for vacancies: Once on a list, you may apply for vacancies in the job class for which you have obtained list eligibility.

Step 4

Retake/take more exams: You may retake the test after a certain amount of time (often 1 year) to be re-ranked, or rise in rankings as top-ranked candidates are selected for positions. You may also take as many different examinations as you want to be ranked on multiple lists.
